Experience

AUG '23 - PRESENT

◆ Senior Designer - Zoopla

Working across the Houseful family of brands, including Zoopla, Alto and Yourkeys. Creating BAU assets, and leading on campaigns, creating both animated and static assets, ensuring a cohesive and impactful visual identity across various channels.

MAR '21 - JUN '23

◆ Brand & Motion Designer - Unmind

Working within the Marketing Department, I was responsible for all motion content, including our [brand video](#) and [app store videos](#). On top of this I often led on creative campaigns and was heavily involved in implementing our rebrand work.

SEPT '19 - JAN '21

◆ Junior Designer & Animator - Perq Studio

Here I was responsible for the sole output of animation within the creative agency. Other work included logo design, illustration, video editing, assets for social, newsletters, websites and merchandise.

Software

- ◆ Figma
- ◆ Illustrator
- ◆ Premiere Pro
- ◆ After Effects
- ◆ Photoshop

Testimonial

"Eve is special. Some designers push pixels. Eve makes them dance.

She'll interrogate the brief, come back with a brand new concept and then overdeliver on execution. She can do all the artworking with one eye closed but comes alive with creative tasks and is a motion queen."

Ben Shaw

VP Brand & Marketing, Unmind
